This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

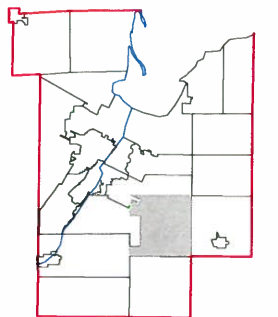

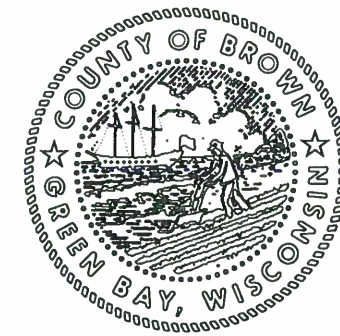

This map was created by the Brown County Survey Department with funding provided by the Town of Glenmore and the Wisconsin Land Information Program.

MAP ORIENTATION

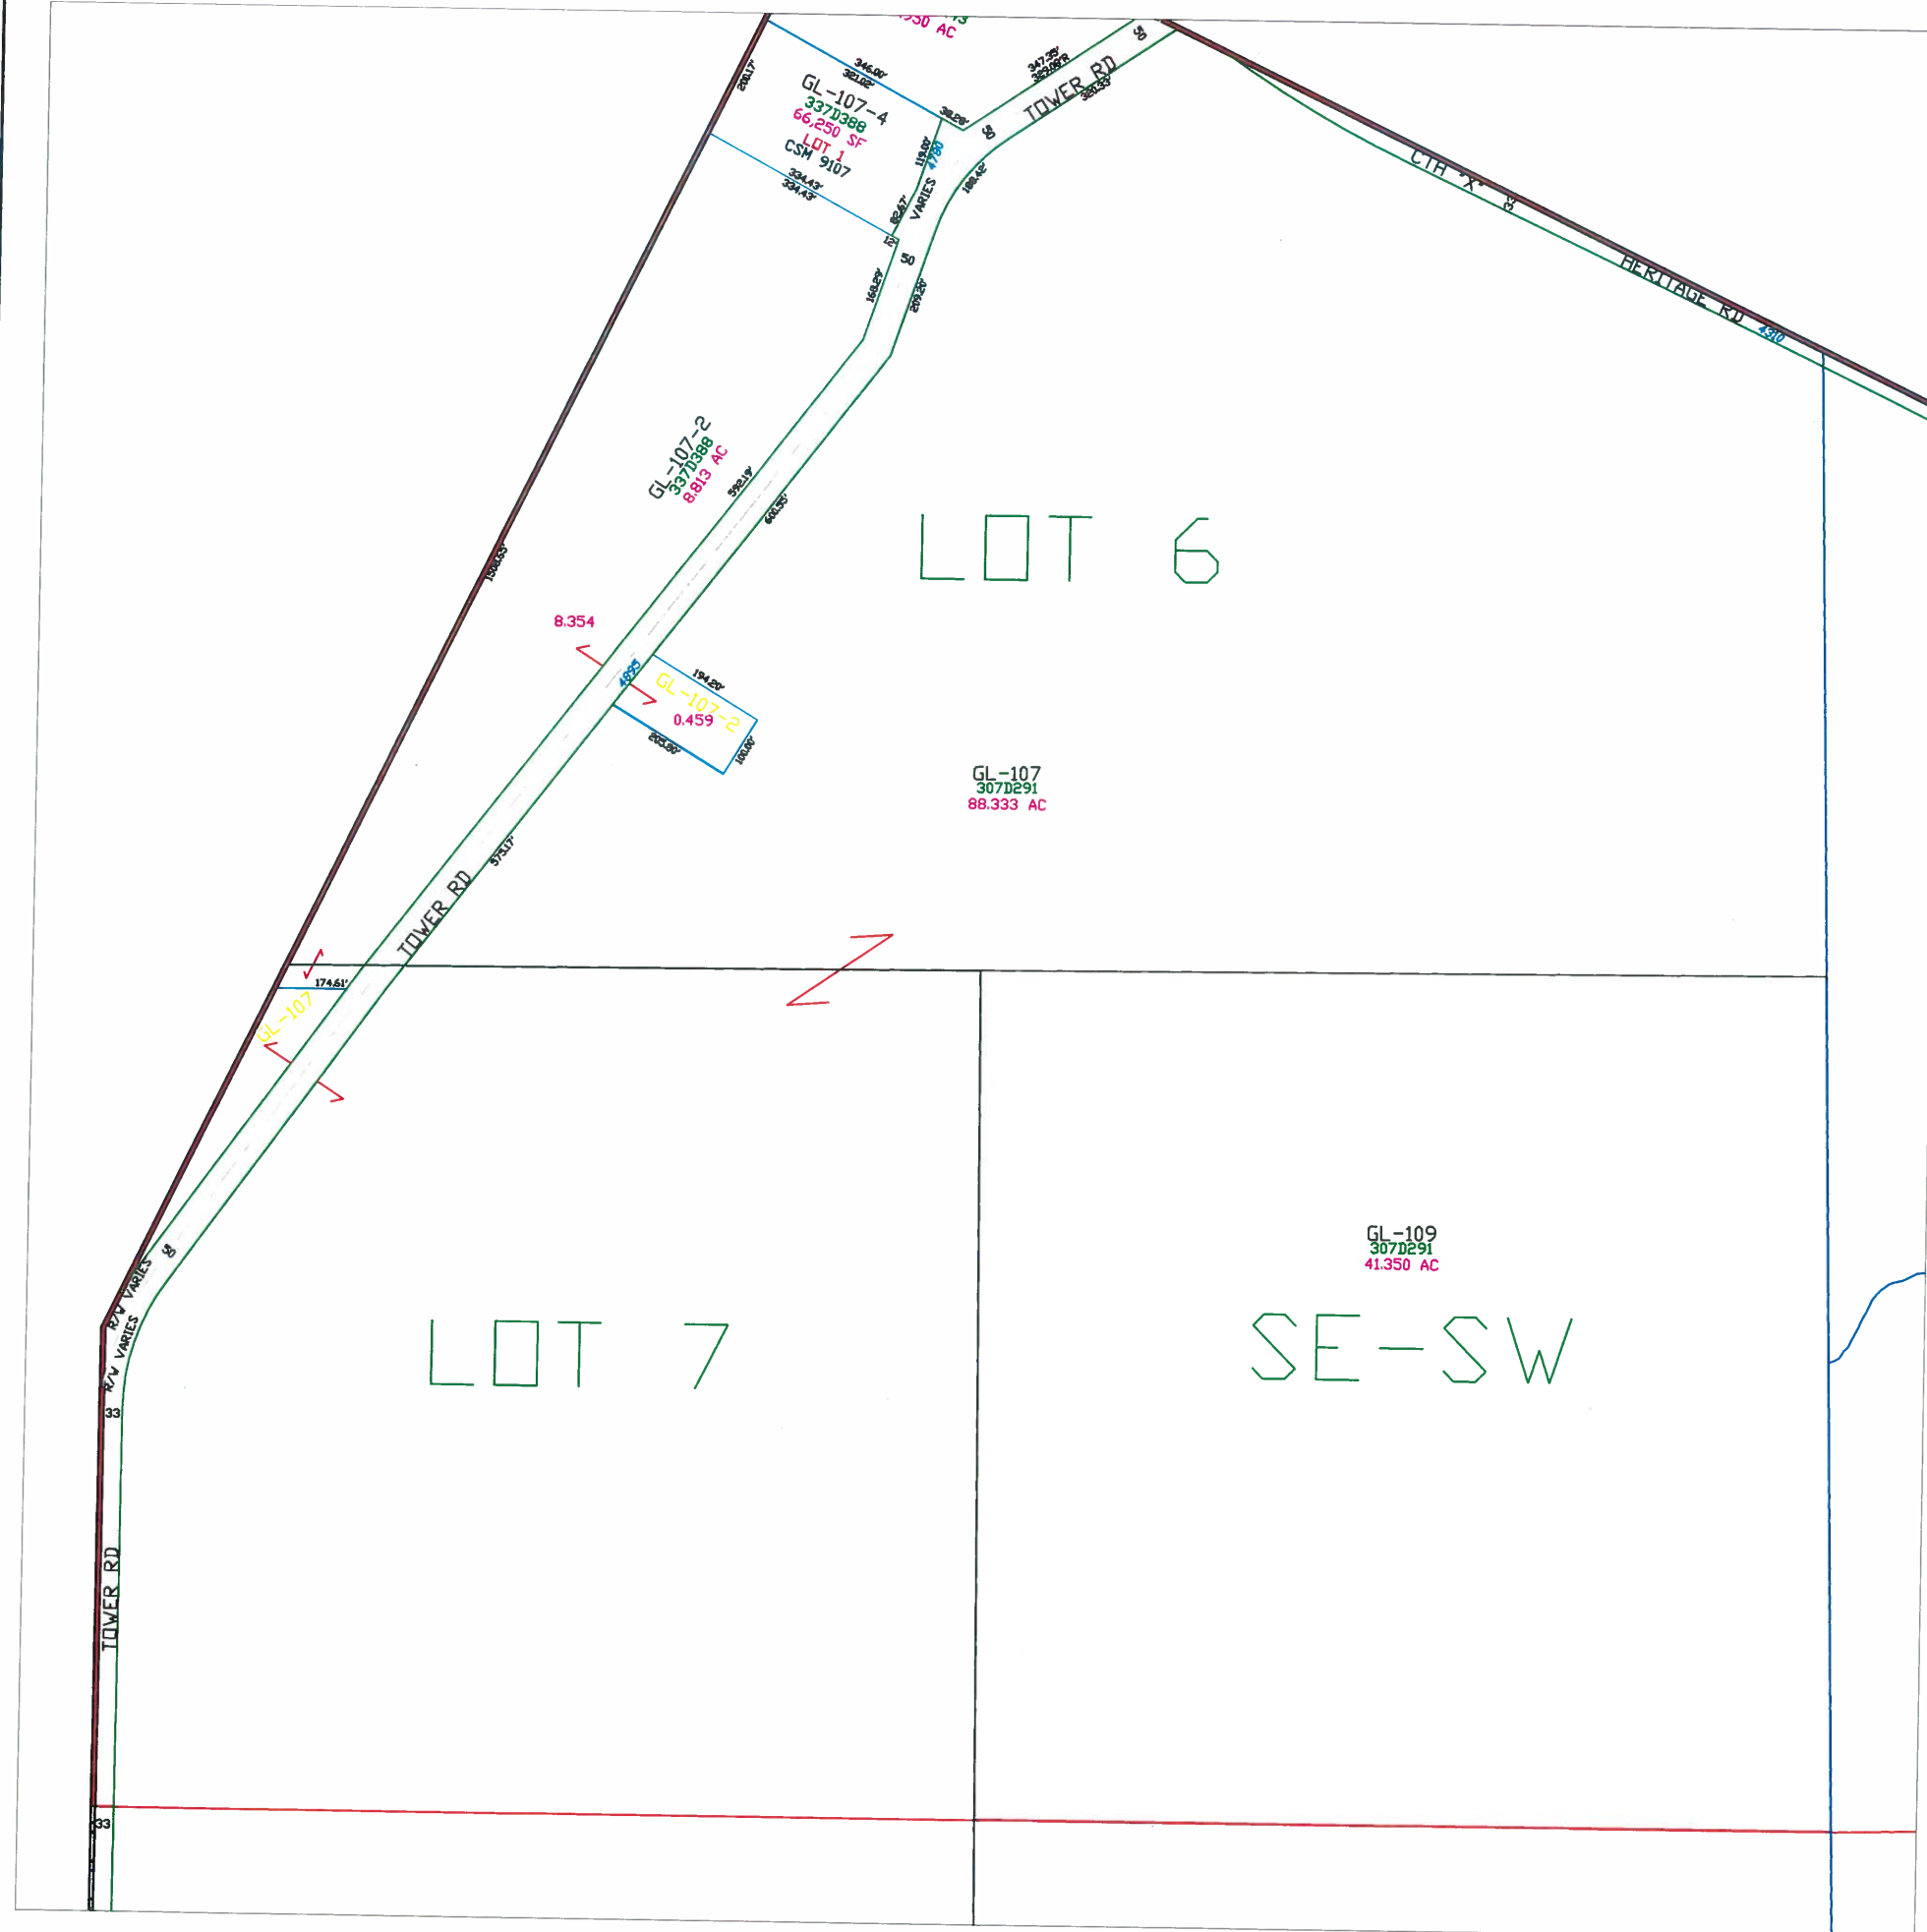

1" = 300'

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

This map was created by the Brown County Survey Department with funding provided by the Town of Glenmore and the Wisconsin Land Information Program.

T22N - R21E
SECTION 6
SE1/4

The diagram illustrates the map's orientation. On the left is the official seal of Brown County, Wisconsin, which depicts a steamship on the water with a person on the shore, surrounded by the text "COUNTY OF BROWN WISCONSIN" and "GREEN BAY, WISCONSIN". To the right of the seal is a compass rose with a black arrow pointing upwards, labeled "N" for North. Further right is a map of Wisconsin with its county boundaries. Brown County is highlighted in a light blue color. A red line traces a path from the top left corner of the map, through the highlighted Brown County, and towards the bottom right corner, indicating the orientation of the map relative to the seal and compass rose.

The diagram illustrates the map orientation. On the left is the official seal of the County of Brown, Wisconsin, featuring a ship on the water and a farmer plowing a field, surrounded by the text "COUNTY OF BROWN" and "GREEN BAY, WISCONSIN". In the center is a north arrow pointing upwards. On the right is a map of Wisconsin with its county boundaries. A red rectangular box highlights the location of Brown County in the northwestern part of the state.

1" = 300'

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

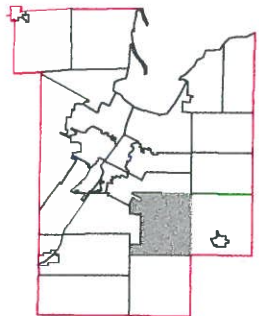

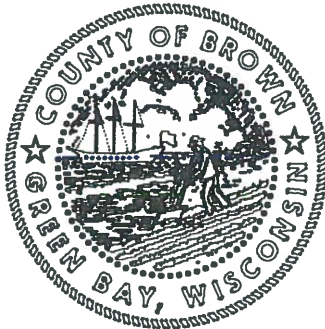

This map was created by the Brown County Survey Department with funding provided by the Town of Glenmore and the Wisconsin Land Information Program.

						<u>T22N</u> <u>T21N</u>	

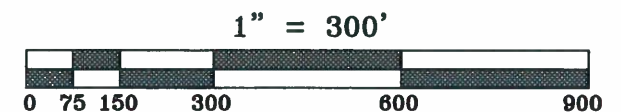

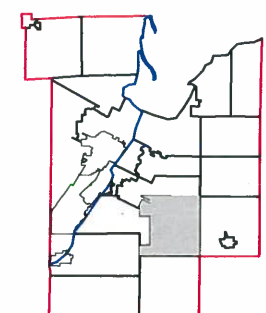

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

This map was created by the Brown County Survey Department with funding provided by the Town of Glenmore and the Wisconsin Land Information Program.
