RPL Office Drafter: T LESLIE

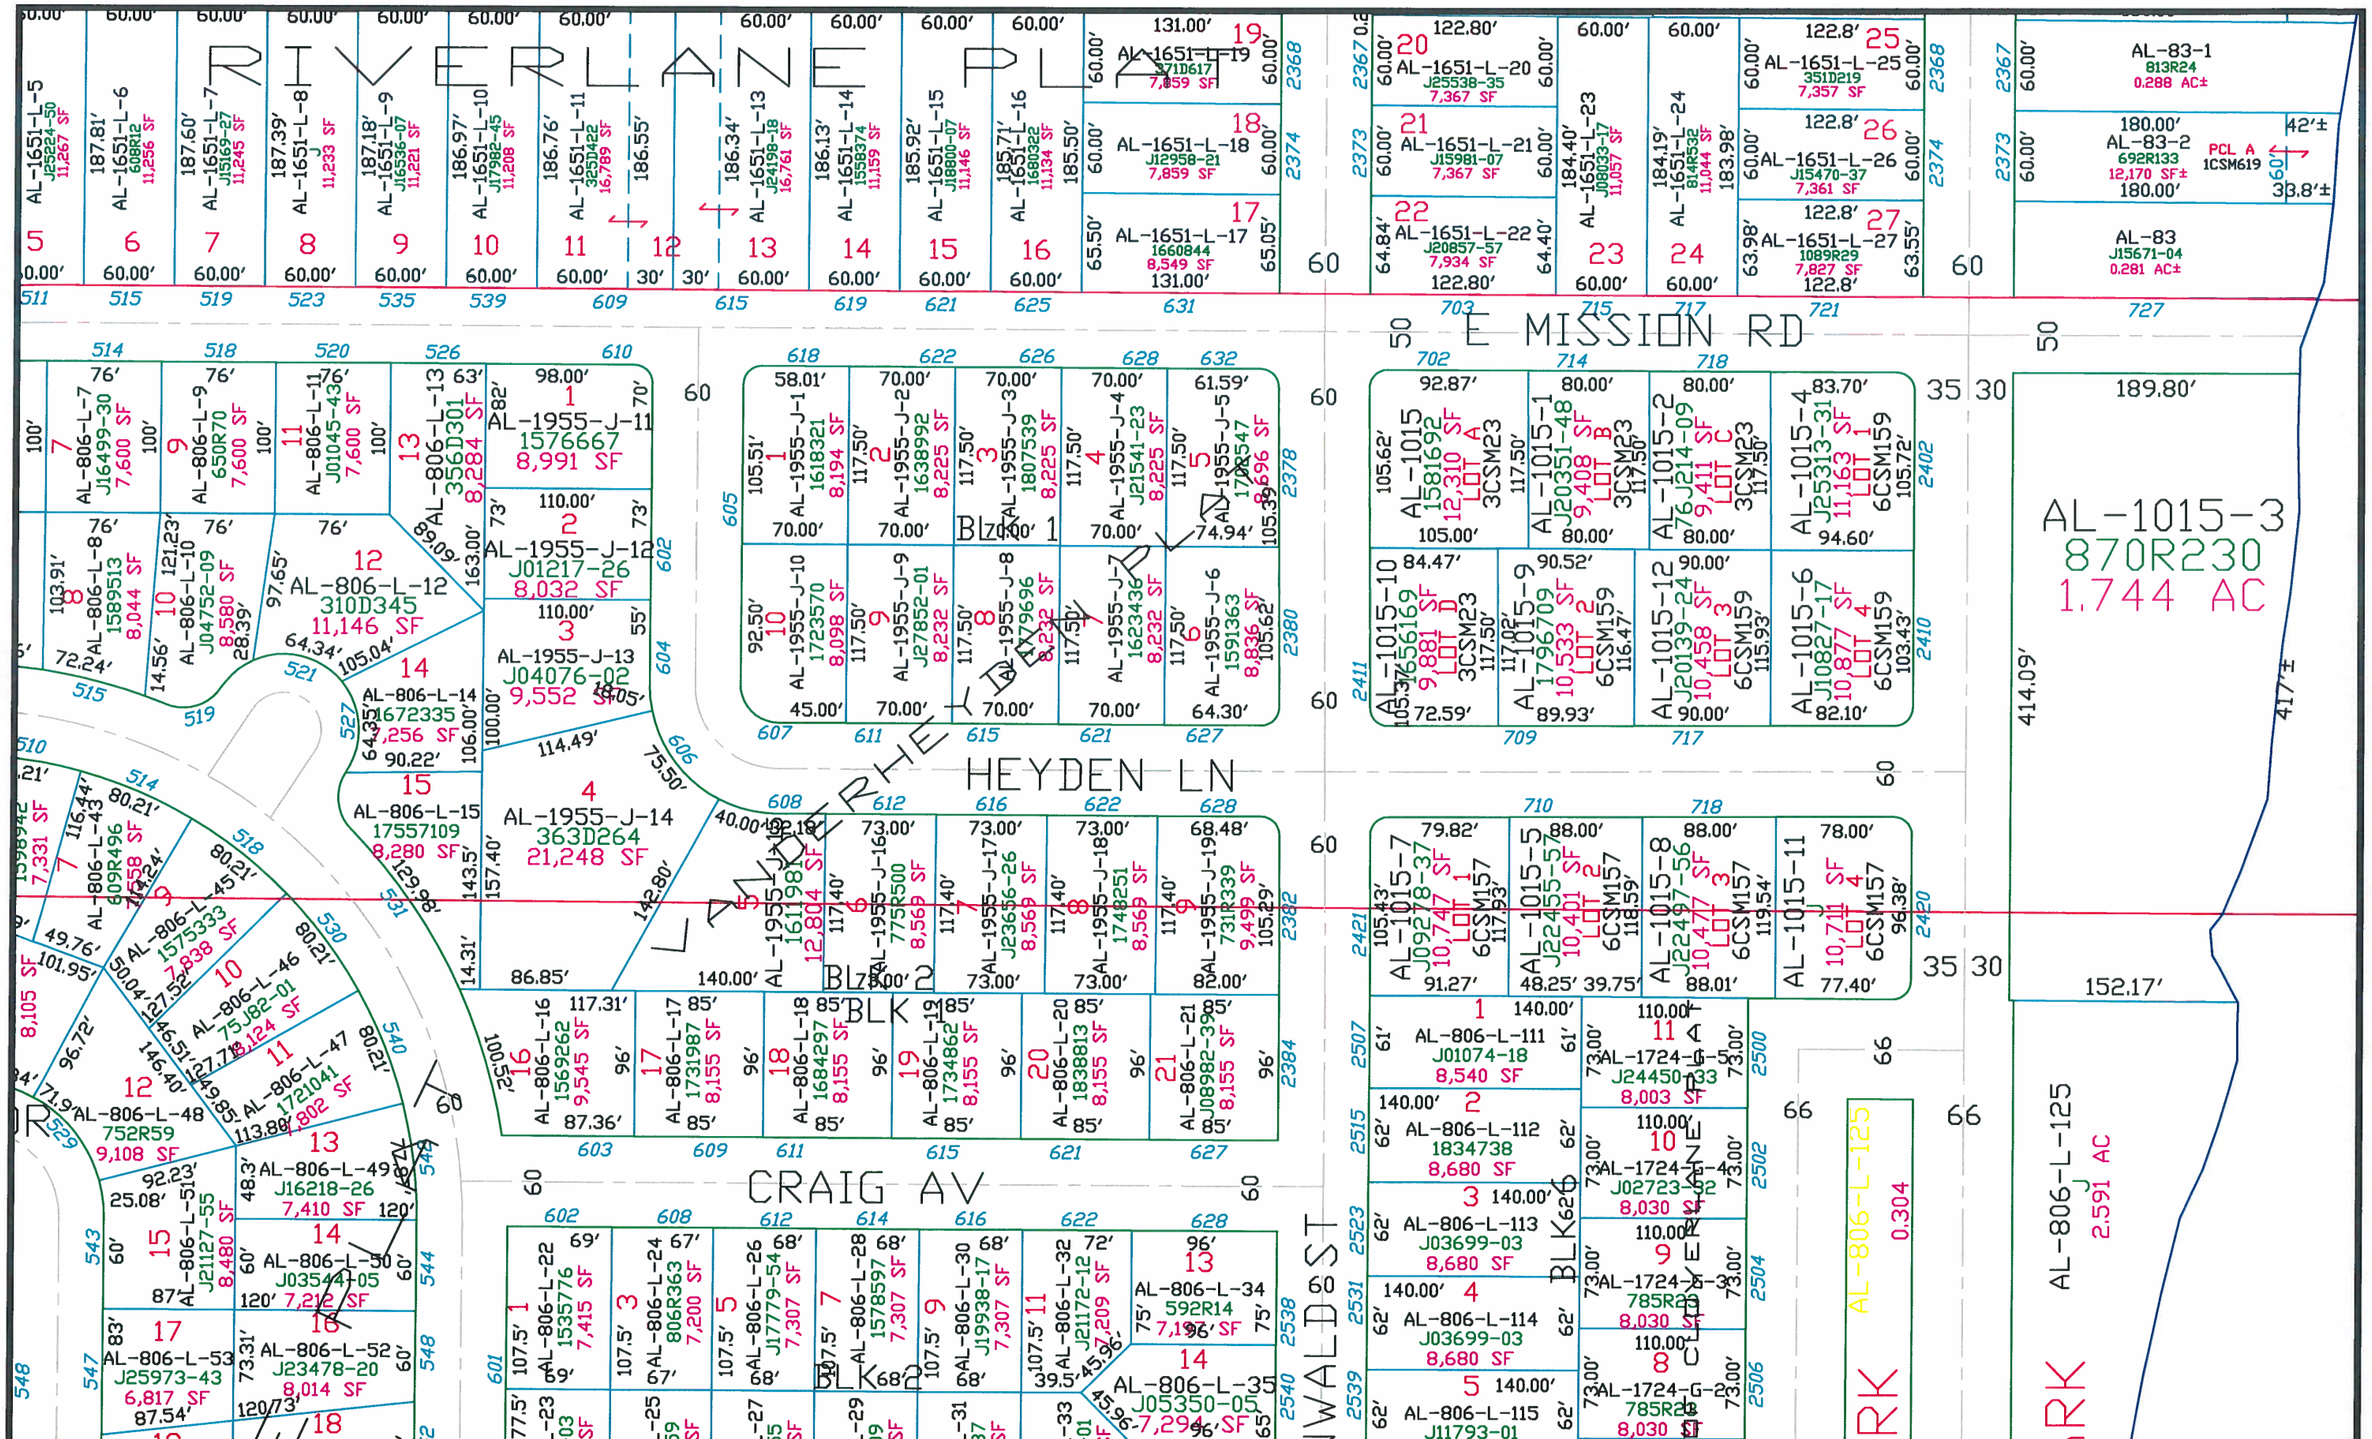
9-5



This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

Scale 1" = 100'

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

Scale 1" = 100'

CITY OF DEPERE

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.
