This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

This map was created by the Brown County Survey Department with funding provided by the Town of Humboldt and the Wisconsin Land Information Program.

1" = 800'

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

This map was created by the Brown County Survey Department with funding provided by the Town of Humboldt and the Wisconsin Land Information Program.
