SECTION 3
LOT 1

1" = 300'

0 75 150 300 600 900

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

This map was created by the Brown County Survey Department with funding provided by the Oneida Tribe of Indians, Village of Hobart, and the Wisconsin Land Information Program.

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

This map was created by the Brown County Survey Department with funding provided by the Oneida Tribe of Indians, Village of Hobart, and the Wisconsin Land Information Program.

MAP ORIENTATION

1" = 300'

0 75 150 300 600 900

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

This map was created by the Brown County Survey Department with funding provided by the Oneida Tribe of Indians, Village of Hobart, and the Wisconsin Land Information Program.

1" = 300'

0 75 150 300 600 900

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

This map was created by the Brown County Survey Department with funding provided by the Oneida Tribe of Indians, Village of Hobart, and the Wisconsin Land Information Program.

MAP ORIENTATION

1" = 300'

0 75 150 300 600 900

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

This map was created by the Brown County Survey Department with funding provided by the Oneida Tribe of Indians, Village of Hobart, and the Wisconsin Land Information Program.

MAP ORIENTATION

1" = 300'

0 75 150 300 600 900

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

This map was created by the Brown County Survey Department with funding provided by the Oneida Tribe of Indians, Village of Hobart, and the Wisconsin Land Information Program.

MAP ORIENTATION

1" = 300'

0 75 150 300 600 900

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

This map was created by the Brown County Survey Department with funding provided by the Oneida Tribe of Indians, Village of Hobart, and the Wisconsin Land Information Program.

MAP ORIENTATION

1" = 300'

0 75 150 300 600 900

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

This map was created by the Brown County Survey Department with funding provided by the Oneida Tribe of Indians, Village of Hobart, and the Wisconsin Land Information Program.

MAP ORIENTATION

1" = 300'

0 75 150 300 600 900

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccurancies.

This map was created by the Brown County Survey Department with funding provided by the Oneida Tribe of Indians, Town of Hobart, and the Wisconsin Land Information Program.

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

This map was created by the Brown County Survey Department with funding provided by the Oneida Tribe of Indians, Village of Hobart, and the Wisconsin Land Information Program.

COUNTY OF BROWN
GREEN BAY, WISCONSIN

MAP ORIENTATION

1" = 300'

0 75 150 300 600 900

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

This map was created by the Brown County Survey Department with funding provided by the Oneida Tribe of Indians, Village of Hobart, and the Wisconsin Land Information Program.

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

This map was created by the Brown County Survey Department with funding provided by the Oneida Tribe of Indians, Village of Hobart, and the Wisconsin Land Information Program.

MAP ORIENTATION

1" = 300'

0 75 150 300 600 900

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

This map was created by the Brown County Survey Department with funding provided by the Oneida Tribe of Indians, Village of Hobart, and the Wisconsin Land Information Program.

COUNTY OF BROWN
GREEN BAY, WISCONSIN

MAP ORIENTATION

1" = 300'

0 75 150 300 600 900

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

This map was created by the Brown County Survey Department with funding provided by the Oneida Tribe of Indians, Village of Hobart, and the Wisconsin Land Information Program.

MAP ORIENTATION

1" = 300'

0 75 150 300 600 900

This is a compilation of records and data located in various county offices and is to be used for reference purposes only. The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

This map was created by the Brown County Survey Department with funding provided by the Oneida Tribe of Indians, Village of Hobart, and the Wisconsin Land Information Program.

The map is controlled by the field measurements between the corners of the Public Land Survey System and the parcels are mapped from available records which may not precisely fit field conditions. Brown County is not responsible for any inaccuracies.

This map was created by the Brown County Survey Department with funding provided by the Oneida Tribe of Indians, Village of Hobart, and the Wisconsin Land Information Program.
